Tothom Terms of Use Policy

Last updated: September 8, 2024

Access and Use

Access to and use of this website are free and voluntary. By using this website, hereinafter referred to as "Tothom," you agree to comply with the following terms:

Purpose of Tothom

Tothom is a personal, non-monetized, non-profit project that does not collect or store personal information. Online since 2000, it is dedicated to creating and sharing audiovisual content focused on social areas, as well as topics related to computer science and the Internet. The goal of this site is to share information, promote research, and foster disruptive innovation across different countries. Tothom does not sell services or products. It operates without any profit motive and does not derive direct or indirect economic benefit from this site. All content offered on Tothom is social and free of charge.

Access to and use of Tothom, owned by Rubén Pablos Herrero, are subject to the following Terms of Use. By browsing or using this website, you accept these terms without reservation. If you do not agree with them, we recommend that you leave the site.

Intellectual Property

All intellectual property rights to the content and design of this website (including articles, texts, images, audio, videos, interviews, computer codes, research studies, and prototypes) belong to Rubén Pablos Herrero or their respective authors, unless otherwise stated in writing. The use of this content does not transfer any ownership rights.

Content may be subject to a Creative Commons license, allowing non-commercial use provided the original author is credited. To use any content from this site for purposes other than those permitted by the license, prior authorization must be requested via email: support@tothom.net

Content Ethics

At Tothom, we oppose the publication of content that, in our opinion, undermines human dignity or promotes hatred and intolerance. Tothom does not host political content, pornography, violence, or any material that promotes discrimination based on race, gender, age, sexual orientation, disability, religion, or socioeconomic origin. Tothom complies with the Universal Declaration of Human Rights. This philosophy reflects an ideal where the Internet serves as a tool for human progress, a space where access to information is a right, not a socioeconomic privilege, promoting innovation and global inclusion.

Research and Development (R&D) Activities

The research and development (R&D) activities conducted through this site focus on creating technological prototypes that may precede commercialization. The results of these investigations are shared freely and non-commercially, creating audiovisual content aimed at advancing free and universal knowledge on the Internet.

Content Usage

All content on Tothom, including videos, texts, images, graphics, and other multimedia elements, is owned by Tothom or its creators unless otherwise indicated and is protected by applicable intellectual and industrial property laws.

Unless expressly stated otherwise, reproduction, distribution, modification, public communication, or any other use of the content, in whole or in part, is prohibited without prior written consent.

Users may access Tothom's content for personal, non-commercial use, subject to the following conditions:

- **Personal Use:** Users may view the content on their device for strictly personal, non-commercial purposes.
- **Sharing Links:** Sharing links to Tothom pages on social media or other platforms is allowed, provided credit is given and the link directs to the original content. However, embedding or framing videos or content is not permitted without authorization.
- **Prohibited Modification:** Modification, adaptation, or creation of derivative works from Tothom's content is not allowed without explicit permission from the owner.

Personal Use License

Users are granted a limited, revocable, and non-exclusive license to access Tothom's content solely for personal, non-commercial purposes and in accordance with our terms of use. This license does not include resale rights or commercial use of the content.

Prohibitions

The following are expressly prohibited:

- Using Tothom's content for commercial or profit-making purposes.
- Distributing or sharing content with third parties without prior written consent.
- Using automated tools or data mining techniques to extract or collect information from Tothom.
- Using content in a way that could harm Tothom's image, reputation, or rights.
Reproduction, distribution, or modification of content without written authorization is strictly prohibited.

Privacy

Tothom does not collect or store personal information. We do not use contact forms, subscriptions, registrations, or tracking tools like cookies or behavior analysis. For more information, please read our Privacy Policy.

External Links

Tothom may include links to third-party websites. When clicking on these links, you will be redirected to the respective website. Please note that Tothom does not monetize these links or manage them; therefore, we are not responsible for the content or policies of external links. We recommend reviewing their policies when voluntarily accessing such links.

Third-party links are provided for informational purposes only and do not necessarily imply endorsement or recommendation of their content.

Social Media

Tothom may include links to our official social media accounts. However, Tothom does not monetize its social media accounts. Please note: When clicking on these links, you will be redirected to the respective social media platform, which has its own terms of use and privacy policies. We recommend reviewing these policies before interacting with the platforms. We do not collect or store personal information through our social media accounts. If you voluntarily choose to follow us, interact with our posts, or send us messages, this information will only be used to manage our interactions with you within those platforms and in accordance with their legal terms.

Contact Email

If you choose to contact us via email, any information you provide (such as your email address or other personal data included in the message) will only be used to respond to your inquiry and for the minimum necessary time.

We will not use your email address to send promotional messages or newsletters, nor will we share your information with third parties.

Information Security

Although we do not actively collect information, any data you send us via email will be treated confidentially. However, please note that no data transmission over the Internet is completely secure, and we recommend not sharing sensitive information online.

Disclaimer

Tothom is a non-monetized personal project that does not collect personal data and strives to provide thematic audiovisual content with a human-focused approach aimed at advancing free and universal knowledge on the Internet.

The content and services offered by Tothom are provided "as is." Tothom and its creators assume no responsibility for any consequences arising from the use or availability of the content.

Links to third parties are provided for informational purposes only and do not necessarily imply endorsement or recommendation of their content.

Availability

The quality of audiovisual content may vary depending on the user's internet connection and device. Consequently, Tothom cannot guarantee minimum transmission quality at all times.

Tothom may be temporarily unavailable due to technical maintenance or unforeseen circumstances. We cannot guarantee continuous availability of our content.

Jurisdiction and Applicable Law

These terms of use are governed by the laws of Spain. Any disputes arising from the audiovisual content published will be submitted to the jurisdiction of the courts of Sabadell (Barcelona).

Modifications to the Terms of Use

Tothom reserves the right to modify these terms of use at any time and without prior notice to adapt to future updates or legislative changes.
